

HOFELE Bespoke Program for S-Class (WVX223)

Issue 08/2022

Welcome.

Welcome to HOFELE...

In a world with many choices, HOFELE offers a wide range of Bespoke enhancements designed to give you the possibility to own a Mercedes-Benz GLS that reflects your personal choices and style.

Please see following the HOFELE products available for the enhancement and personalisation of your Mercedes-Benz S-Class. Some HOFELE products are available individually and can be fitted by your local Mercedes-Benz specialist, others are only available when fitted at the HOFELE factory located in Germany. See details included on the price list.

Please contact us or our authorised sales and service partners to discuss your requirements, we are here to provide you with a truly Bespoke and unique S-Class by HOFELE.
